Foot Guards with Rubber Toe

Foot guards are metal shields worn over shoes for maximum protection to the entire foot - instep as well as toes - against falling, rolling, or flying objects or accidental tool blows.

They are designed to withstand an impact of 75 ft-lbs. with a large safety factor designed in. Foot guards fit any shoe (no rights or lefts), with 5" (average) and 5 1/2" (large) widths.

They are light enough to be worn comfortably all day. To keep the guard properly positioned, it has a rubber toe clip, crossbar, and a one-piece rubber strap with a tension buckle.

Priced per Pair
