

## Spilltration™ Cubby Spill Kit

- Compresses to fit in an area 80% smaller than traditional oil spill duffels
- Designed to work in the rain
- Prevent oily water from reaching storm drains and waterways
- Avoid clean-up costs and fines by keeping spill in a small footprint
- Made entirely from post consumer and post industrial waste
- Substantially reduce your materials and disposal costs by wringing and reusing
- Spill Type: Oil Only
- Container Type: Bag
- Absorption Capacity: 36.4 gal.
- Stationary/Mobile/Portable: Portable

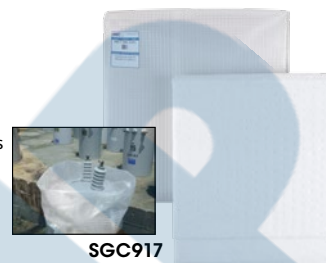

Model No. SGC506  
Price/Each \$

## Transformer Bag Spill Kit

- Multiple layers and cord reinforcement resist punctures and tears
- UV stabilization protects the material from degradation during extended exposure to sunlight
- Cold-crack resistance eliminates failures in extremely cold temperatures
- Flexibility and light weight allow for easy handling and quick installation
- Meltblown polypropylene pads are included in each kit to absorb any leaked dielectric fluid

SGC917

Model No.	Mfg. No.	Description	Price /Box
SGC917	MBT-TBK-4080	40" x 80" Transformer Bag
