

Snow Blowers (Single stage 100 Series)

- Overall compact design makes this machine very comfortable and easy to use and store
- Rubber auger works efficiently on all types of hard surfaces and the auger speed makes the snow thrower almost self-driven
- Connect to a power outlet and start the engine by pressing a button
- Starter system ensures that you'll never have to worry about a dead battery

FEATURES

- Single-stage system
- Electric starter
- Premium control cables
- LED headlights
- 5-Year engine warranty
