

Knucklehead® Spot LED Flashlights

- Shockproof C4® premium LED technology
- Deep dish parabolic reflector produces a focused beam for longer distances: 210 m on high beam
- Durable spring-loaded clip for easy attachment to turnout gear and uneven surfaces
- Features a 210° articulating head that rotates a full 360°
- Four modes:
High: 11,000-candela peak beam intensity, 180 lumens, 3.5-hour runtime
Low: 3300-candela peak beam intensity, 55 lumens, 16-hour runtime
Moonlight: 20-day runtime
Flash: 8-hour runtime
- Dual power source: accepts rechargeable NiCd battery pack or four AA alkaline batteries
- Rubber dome push-button actuator is easy to operate even when wearing heavy gloves
- Removable magnet with 135-lb. pull strength features a replaceable rubber boot
- Optimized electronics provide regulated intensity
- High-impact, super-tough nylon polymer construction for exceptional durability
- 2-m impact-resistance tested
- IPX4-rated for water-resistance
