Char-Guard™ Heat-Resistant Gloves

- Comfortable non-woven liner to provide flexibility and fit
- Superior tactile dexterity
- Non-slip grip
- Heat-resistant coating protects up to 500°F
- Can withstand multiple washings
- Black colour extends wearable life as it does not show dirt and grime easily
- Accepted for use in Canadian food processing facilities

Applications: Hot castings for intermittent heat, lab sampling with hot glassware or moldings, plastic molding, plant maintenance controls up to 500°F, food processing and service
