

# PERSONALIZE IT! ACCUFORM.

## Custom Store-Boards™ 5S/Lean Shadow Boards

Organize tools, supplies and equipment to promote efficiency, effectiveness and safety. Store-Boards™ have shadow outlines showing when tools are in use or missing, and the proper place to return tools. Ideal for use in 5S and other lean practices. Store-Boards™ are customized to your requirements - any size and shape with any colors, images, logos and graphic schemes.

### HOW TO ORDER:

- Determine Store-Boards™ requirements - Choose size and material, note any special hardware/holders\*, and be prepared to identify equipment to be shadowed
- Request an art proof - We can schedule your personalized WebEx™ to finalize your design
- Receive your personalized price quote
- Approve your artwork, and we produce your Store-Boards™

Choose a material to fit your location, application, and durability needs.

**DESIGN YOUR STORE-BOARDS™ WITH US ONLINE, IN REAL TIME ... AT NO EXTRA COST!**

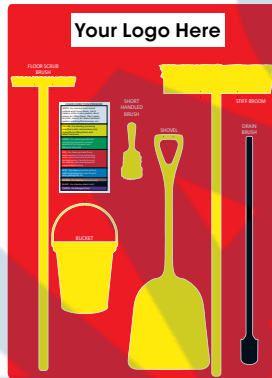

Interact with our graphic artist in real time to develop your Store-Boards™. You get exactly what you want versus settling for something close.

**Contact us to have professionally designed Store-Boards™ customized for you.**

**BEFORE**

**AFTER**

\*Store-Boards™ include all requested galvanized steel tool hangers/hooks. Stainless steel available by quote. For other hardware/holder options such as pegs, hooks, or shelves, contact us for a quote.

 **AccuShield™**

 Heavy-duty for demanding industrial locations. 3/16" thick with subsurface print.

 **AccuShield™ FB-X**

 Designed to withstand the conditions in food and beverage environments - including ammonia wash-downs. 3/16" thick with subsurface print.

 **Ultra Aluma-Lite™**

High-strength, lightweight, nearly 1/4" thick composite aluminum with thermoplastic core and overlaminated print.

 **Max-Duty Aluminum**

Durable .080" aluminum provides the strength of metal but will not rust. Overlaminated print.

 **Diamond Aluminum**

Industrial rugged appearance with overlaminated print on tough .080" aluminum

## Fold-Ups™

- Free-standing signs to identify temporary hazardous conditions
- 0.125" rugged, high-impact plastic for multiple uses and rough handling
- 20" H x 12" W with handle cut-out, folds flat
- Same message both sides
