

6" Cyalume® Lightsticks

Provides a light source more dependable than flashlights and safer than flares or candles.

- Convenient, safe emergency back-up lighting for applications at night, in confined space or in blackout
- Lightsticks visible even in dense smoke
- Just bend, snap and shake for instant light
- Non-toxic, non-flammable and weatherproof
- Regular and hi-intensity products available
- 6" length ideal for vehicle identification markers, maintenance/refueling lights, route markers and disaster preparedness lights
