GripPro™ Spikeless Traction Aids

- 11 (22/pair) patented hi-viz chevrons are strategically placed to increase grip and reduce the risk of slips and falls
- Specially designed treads channel water away to deliver enhanced traction
- Natural rubber material with proprietary polymer blend maintains flexibility even in sub-zero temperatures
- Slip-on design fits snugly over boots and shoes
- Easy on-off pull tab provides quick adjustment
- Can be worn while driving, climbing ladders, and walking on grates
- Ideal for warehousing, delivery, construction, first responders, and much more
- Traction Type: Grooved
- Traction Material: Rubber

Heel Traction Aid

- Convenient hook and strap with adjustment system provides a quick, easy, comfortable, and secure fit on a wide variety of footwear
- The Ice Diamond™ spikes and bi-directional tread provide powerful traction with maximum grip
- Ideal for drivers, delivery personnel, or anyone operating machinery where use of conventional, full coverage traction aids may interfere with driving capabilities
- Traction pad can be flipped or slid from underneath the heel to avoid damage to walking surfaces
- Size: One Size
- Traction Type: Stud
- Traction Material: Tungsten Carbide

Model No. **SGQ698**
 Mfg. No. V3550470-O/S
 Price/Each \$

Boot not included

K1 Series Mid-Sole Ice Cleats

- The ice-penetrating tungsten carbide spikes maximize grip while the rotatable design provides seamless transition when traction is not required (driving, climbing, and indoor use)
- Strategically placed ice-penetrating tungsten carbide spikes provide maximum traction on ice and snow
- Specially formulated rubber pad provides maximum comfort and durability even in extreme cold weather conditions
