

Handles

- Colour-coded hanging hole allows for easy storage
- Basic aluminum handle is durable and suitable for most applications in the food processing industry
- Long hygienic sleeve increases durability and makes the handle ergonomically friendly and easy-to-use
- Hygienically designed Euro thread prevents walk-off and is easy to clean
- Accepted for use in Canadian food processing facilities
- Type: Standard
- Material: Aluminum
- Diameter: 1 1/4"
- Tip Style : Threaded

Food Hygiene Buckets

- Ideal for transporting cleaning chemicals as well as hot or cold ingredients
- Features a sturdy stainless steel handle
- Calibrated for a variety of measuring units molded into the inside of the pail
- Flat back side reduces contact with the user's legs to prevent spillage, stores easily using the coordinating wall bracket, and allows Vikan® scoops to be hung on the bucket rim
- Accessible hand grip is raised from the base on the back side of the pail for an easy grip
- No-drip spout is designed for easy pouring and to prevent liquid from running down the pail
- Grips along the top of the bucket allow for a lid to snap in place (sold separately)
- Drainage hole on the back allows water to escape when the bucket is hung upside down
- Colour-coded to support food safety material handling, cleaning, and sanitation programs
- Accepted for use in Canadian food processing facilities

UST Hand Brush

- This ULTRA SAFE TECHNOLOGY (UST) Hand Brush comes with angled Filament Security Units for optimal cleaning of conveyor belts, production lines, machinery and food-preparation surfaces in high-risk areas
- Features a unique bristle system that minimises the risk of contamination and bristle loss
- The ergonomically designed brush block prevents slipping out of the hand and reduces wrist strain
- The design and position of the Filament Security Units offer an effective surface contact and enables the user to apply hard pressure directly to the surface being cleaned
- The angled bristles effectively clean in corners, junctions and other hard-to-reach areas
- Meets the REACH Regulation (EC) No. 1907/2006
- Halal and Kosher compliant
- Overall Length: 6-9/10"
- Bristle Strength: Stiff
- Visible Bristle Length: 1-1/2"
- Material: Polypropylene & Polyester
- Width: 2-2/3"
- Height: 2-1/5"
