

Chainsaw

- The Husqvarna 120i is a lightweight, easy-to-use battery saw that's ideal for pruning branches and felling small trees
- The intuitive keypad makes getting starting a breeze, while an inertia chain brake promises problem-free handling
- The power-conserving savE™ mode ensures you won't run out of battery, and low noise levels let you work without disturbing the neighbors
- Engine Power: 40 V
- Weight: 6.5 lbs.
- Operating Type: Battery Powered

20V MAX* Brushless Cordless Pruning Chainsaw Kit

- Lightweight and designed for reduced fatigue
- Up to 70 cuts per charge on a 4" x 4" pressure treated pine using DCB230 battery
- Compact design for easy access to tight spaces
- High-efficiency brushless motor designed to maximize run time and motor life
- Auto-Oiling for continuous lubrication
- Tip guard designed to provide stability during upcuts
- Onboard wrench allows for tool-free tensioning
- Use it to trim branches from downed trees, cut bundles of wood or branches, and manage thick brush or daily pruning needs
- Includes: DCCS623 Chainsaw, Tensioning tool, Bar sheath, DCB230 3.0 Ah Battery, Charger
- Weight (Tool Only): 4.6 lbs.

M18 FUEL™ Top Handle Chainsaw (Tool Only)

- The saw is designed to meet the performance, durability, and ergonomic needs of the professional arborist, power utility linemen, and landscape maintenance professional
- M18 FUEL™ technology allows the saw to reach full throttle in under 1 second providing ultimate control and cut faster than 35cc gas for increased application speed
- The POWERSTATE™ Brushless Motor maintains speed under heavy loads without bogging down to outperform small gas engines and higher voltage systems
- In addition to outperforming gas competitors, the saw eliminates all of the headaches associated with gas engines, such as pull starts, high noise levels, emissions, and regular maintenance
- The REDLINK PLUS™ Intelligence enables full-circle communication between the tool and battery, providing you with unmatched levels of performance, protection, and productivity
- The M18™ REDLITHIUM™ HIGH OUTPUT™ XC 8.0 Battery provides efficient power delivery giving you longer runtime in application with the ability to make 150 cuts per charge in 4" x4" Cedar (battery sold separately)
- The saw has a professionally demanded feature set including an easy access chain tensioner, automatic oiler, metal bucking spikes, onboard scrench storage, lanyard loop, and climbing scabbard
- Engine Power: 18 V
- Operating Type: Battery Powered

N0931	2826-20C	12	
N0930	2826-20T	14	
N0929*	2826-21T	14	

* Kit includes: (1) M18 FUEL™ Top Handle Chainsaw, (1) M18™ REDLITHIUM™ HIGH OUTPUT™ XC8.0 Battery, (1) M18™ & M12™ Rapid Charger, (1) Scabbard, and (1)Srench

MAX* 3.0 Ah Brushless Cordless Chainsaw Kit

- Combines pro-grade power with efficiency and features a peak horsepower of 2.85 HP when using a DCB609 battery
- Dependable bar retention is made possible with seamless tooled chain tensioning to maintain high productivity throughout the workday
- Continuous lubrication with auto-oiling feature for longevity of use
- Limited kick back protection with chain brake
- Cuts through 17" white oak log as fast as 24 seconds using DCB609 battery
- Includes: DCCS672 Chainsaw, DCB609 Flexvolt® Battery, DCB115 Charger, Bar Sheath, Tensioning Tool
- Engine Power: 60 V, 2.85 HP
- Operating Type: Battery Powered
